

**Emma's Acres Employment Position:** Emma's Acres Farm Manager

**Start Date:** As Soon as Possible

**Position Type:** FTE, 35h/week Contractor

**Wage:** 18/hour paid monthly + free produce

**Description:**

Emma's Acres is an award-winning agricultural social enterprise owned and operated by the LINC Society. Emma's Acres is a community space where dedicated community members and people who have been impacted by crime and the justice system come together to grow fruits and vegetables. The profits from Emma's Acres support a host of food securities and transformative justice initiatives. As Farm Manager, you will oversee daily operations, from seed to sale. You will engage in hands-on, frontline work at the intersection of environmental and social justice. You can learn more about Emma's Acres and the work we do at [lincsociety.bc.ca](http://lincsociety.bc.ca)

Experience in agriculture, particularly small-lot, sustainable farming would be excellent, but is not a requirement. However, candidates must:

- Have an active drivers license
- Be able to conduct physical labour, from planting to raking rows, to operating light machinery (training can be provided)
- Be vaccinated
- Be committed, dedicated, and responsible
- Be available to work full-time hours
- Be community-oriented and committed to maintaining the supportive environment at Emma's Acres, and represent our anti-racist, inclusive priority of BIPOC, 2SLGBTQ+, and justice involved communities
- Be a team player

- Have sufficient customer service skills
- Be interested in the principles of transformative justice

**Duties:**

- Organizing seeding, planting, and harvesting schedule
- Plant, weed, harvest, and process as required, and train new volunteers in the same
- Liaise with LINC Executive Director about daily issues, items that need maintenance/replacing, and sales
- Work with volunteers and other staff to determine daily priorities
- Process orders as they come in, and oversee sales
- Deliver sales to commercial partners
- Keeps track of weekly sales
- Manages inventory of available produce
- Potentially, the Farm Manager could oversee sales at the Mission City Farmers' Market, *if available on Saturdays*
- Other duties as required
